Hi Kerry,

All congressional staff will be briefed on the results of BMAC before being released to the public.

Thanks.

LaTonya,

Could I get a briefing on the results of BMAC before it is released to the public? The Senator appreciates the quick response to this issue at the Complex.

Kerry

Subject: West Lake Update

Hello:

EPA Region 7 has created the West Lake Update in an effort to inform the community about the progress of environmental activities taking place at the West Lake Landfill Superfund Site in

Bridgeton, Mo.

The information about the West Lake Update is also being shared with other elected officials, the Community Advisory Group, Missouri Coalition for the Environment and other stakeholders.
